

The **SRM Joint Entrance Exam (SRMJEE)** is an engineering entrance exam conducted at the University level for admission to **B.Tech programs**. According to the **SRMJEEE Exam Pattern for 2026**, all questions in the exam are **multiple-choice**.

Since the **SRMJEEE exam is held in online, remote proctored mode**, you can take it from your homes and on your own laptops/computers.

The SRMJEEE Exam Pattern 2026 includes a **question paper that will have 130 MCQs** from Physics, Chemistry, Mathematics/ Biology, English, and Aptitude.

The SRMJEEE Exam Pattern includes an **exam duration of 2 hours and 30 minutes**. There are **4 sections: Math/Biology sections will have 40 marks, Physics and Chemistry will carry 35 marks each, English and aptitude sections will have 20 marks**.

The SRMJEEE exam is conducted by the SRM Institute of Science and Technology to give admission to the various SRM groups of colleges.

What is the SRMJEEE Exam Pattern 2026?

The SRMJEEE exam is conducted by the SRM Institute of Science and Technology to give admission to the various SRM groups of colleges.

According to the **SRMJEEE Exam Pattern 2026**, all questions in the exam are **multiple-choice**.

Since the SRMJEEE exam is held in **online, remote proctored mode**, you can take it from your homes and on your own laptops/computers.

SRMJEEE Exam duration is 2 hours and 30 minutes.

The maths section of the exam will have 40 marks, Physics and Chemistry will carry 35 marks each, and English and aptitude sections will have 20 marks.

The SRMJEEE 2026 question paper will have **130 MCQs from Physics, Chemistry, Mathematics/ Biology, English, and Aptitude**.

SRMJEEE Exam Pattern 2026: Overview

Particulars	Details
Conducting Body	SRM Institute of Science and Technology (SRMIST)
Language of Paper	English only
Mode of Examination	Remote Proctored Online Mode (RPOM)
Duration	2 hours 30 minutes (150 minutes)
Type of Questions	Multiple Choice Questions (MCQs)
Number of Sections	4
Subjects Covered	Physics, Chemistry, Mathematics/Biology, English & Aptitude
Number of Questions	Physics – 35Chemistry – 35Maths/Biology – 40English & Aptitude – 20

Total Questions	130
Scoring Method	+1 mark for each correct answer; No negative marking
Total Marks	130 marks

Ques. What are the Remote Proctored Exam Requirements for the SRMJEEE exam?

Ans. You should prepare their systems before taking the exam. System requirements for the SRMJEEE online proctored exam are as follows:

- Laptop with a functional camera and microphone.
- Intel i3 (4TH Gen) equivalent CPU or above.
- 4 GB RAM or above.
- Internet Speed – Minimum 1 MBPS.
- 2 GB free hard disk space.
- Windows 8 or above, Mac 10.14 Mojave and above.

Ques. How often is SRMJEEE conducted?

Ans. The SRMJEEE (SRM Joint Engineering Entrance Exam) is conducted twice a year by SRM Institute of Science and Technology (SRMIST).

Exam Phase	Tentative Month	Mode of Exam	Purpose
Phase 1	April 2026	Remote Proctored Online Mode (RPOM)	First attempt for early admission and merit consideration
Phase 2	June 2026	Remote Proctored Online Mode (RPOM)	Second attempt for candidates improving scores or missing Phase 1

SRMJEEE Exam Pattern 2026: Subject-Wise Pattern

The **SRMJEEE 2026 question paper** consists of **130 multiple-choice questions (MCQs)** divided across **four sections** — Physics, Chemistry, Mathematics/Biology, and English & Aptitude.

The table below shows the subject-wise exam pattern for SRMJEEE for 2026, including key topics and total marks:

Subject	Number of Qs	Marks per Question	Total Marks	Key Topics Covered
Physics	35	1	35	• Mechanics • Gravitation • Thermodynamics • Electricity • Magnetism • Optics • Modern Physics

Chemistry	35	1	35	• Atomic Structure • Chemical Bonding • Thermodynamics • Organic Chemistry • Equilibrium
Mathematics/Biology	40	1	40	• Algebra • Calculus • Coordinate Geometry/ • Human Physiology • Genetics • Plant Physiology
English & Aptitude	20	1	20	• Grammar • Comprehension • Logical Reasoning • Quantitative Aptitude
Total	130	—	130 Marks	—

Attempt Rules

- Candidates can attempt both phases of SRMJEEE 2026.
- The best of the two scores will be considered for the final merit ranking.

Ques. Can I appear for both phases of SRMJEEE 2026?

Ans. Yes, you can appear for both Phase 1 and Phase 2 of SRMJEEE 2026. SRMIST conducts the SRMJEEE exam in two phases every year to give students an extra chance to improve their performance.

- If you are not satisfied with their Phase 1 score, you can register and reappear for Phase 2.
- After both phases, the best of the two scores is considered for final merit ranking and seat allotment during counseling.

Ques. What type of questions are asked in SRMJEEE 2026?

Ans. All questions are Objective Type (MCQs) with four options. Only one correct answer per question.

Feature	Description
Question Type	Objective Type – Multiple Choice Questions (MCQs)
Options per Question	4 options are provided for each question

Correct Options	Only 1 correct answer per question
Total Questions	130 (Physics, Chemistry, Maths/Biology, English & Aptitude)
Marking Scheme	+1 mark for every correct answer; no negative marking
Question Nature	Conceptual, logical, and application-based

SRMJEEE Exam Pattern 2026: Marking Scheme

The **question paper** consists of **130 multiple-choice questions (MCQs)** divided across **four sections** — **Physics, Chemistry, Mathematics/Biology, and English & Aptitude**.

- There is **no negative marking in SRMJEEE**. For each question answered correctly, you will be awarded 1 mark.

Please review the marking scheme for SRMJEEE below.

Section	Number of Questions	Marks per question	Total Marks
Part 1: Physics	35	1	35
Part 2: Chemistry	35	1	35
Part 3: Mathematics or Biology	40	1	40
Part 4: English and Aptitude	20	1	20
Total Marks			130

SRMJEEE 2026 Exam Pattern: Sections

The **SRMJEEE 2026** exam is divided into **four main sections** — Physics, Chemistry, Mathematics/Biology, and English & Aptitude.

- Each section carries a different number of questions, all in **multiple-choice (MCQ)** format.
- The questions are based on the **10+2 (Class 12)** syllabus to test the conceptual understanding and analytical skills.

Check the details below:

Section	No. of Questions	Question Type	Level of Questions	Key Details
Physics	35	MCQs	10+2 Level	- Covers Mechanics - Thermodynamics - Electricity

				- Optics - Modern Physics
Chemistry	35	MCQs	10+2 Level	- Organic - Inorganic - Physical Chemistry
Mathematics / Biology	40	MCQs	10+2 Level	- Maths for B.Tech aspirants; - Biology for Biotech/Biomedical course
English & Aptitude	20	MCQs	10+2 Level	- English comprehension - Grammar - Reasoning - Logical Aptitude
Total	130	—	—	—

Ques. How should you attempt the Mathematics / Biology section?

Ans. The table below shows the details:

Candidate Type	Section to Attempt	Reason / Guidance
Engineering Aspirants (B.Tech)	Mathematics	Most B.Tech programs require strong mathematical concepts; Biology is not required.
Biotech / Biomedical Aspirants	Biology	These programs focus on biological sciences; Mathematics is optional and not counted.
General Guidance	—	Attempt only the relevant section for your program to maximize your score and avoid confusion.

Ques. Is there negative marking for wrong answers in SRMJEEE 2026?

Ans. No, there is no negative marking in SRMJEEE 2026.

- Each correct answer carries 1 mark.
- ☑ Marks are awarded only for correct responses; wrong answers do not reduce your total score.
- This allows you to attempt all questions without fear of losing marks.

Response Type	Marks Awarded	Negative Marking
Correct Answer	+1 mark	No

Wrong Answer	0 mark	No
Unattempted Question	0 mark	No

SRMJEEE Exam Pattern 2026: Important Topics

The SRMJEEE 2026 exam is divided into four main sections — **Physics, Chemistry, Mathematics/Biology, and English & Aptitude.**

The table below shows the important topics for the SRMJEEE exam 2026:

Subject	High Priority Topics	Medium Priority Topics	Low Priority Topics
Physics	• Heat & Thermodynamics • Current Electricity • Magnetic Effects & Magnetism • Modern Physics • Ray & Wave Optics • Laws of Motion	• Gravitation • Oscillations & Waves • Electrostatics, Work • Power & Energy	• Units & Measurements • Mechanics of Solids & Fluids • Communication Systems
Chemistry	• Chemical Bonding • Thermodynamics • Equilibrium • Electrochemistry • Organic Chemistry • Chemical Kinetics	• Atomic Structure • States of Matter • Surface Chemistry • Solutions • Periodic Properties	• Polymers • Chemistry in Everyday Life • Biomolecules
Mathematics	• Calculus (Differential & Integral) • Coordinate Geometry (Straight Lines, Circles, Conic Sections) • Algebra (Complex Numbers, Matrices & Determinants)	• Binomial Theorem • Probability • Sequences & Series • Vector Algebra	• Sets • Relations & Functions • Mathematical Induction • Statistics
Biology	• Human Physiology • Plant Physiology • Genetics & Evolution • Reproduction	• Human Health & Diseases • Biotechnology • Ecology	• Developmental Biology • Animal Diversity • Histology

	Cell Structure & Function	Diversity of Living Organisms	
--	---	---	--

SRMJEEE Exam Pattern 2026: Section-Wise Weightage

The **SRMJEEE 2026** exam is divided into **four main sections** — Physics, Chemistry, Mathematics/Biology, and English & Aptitude.

The table below outlines the high-weightage topics, including approx. Weightage for each section for the SRMJEEE exam 2026:

Subject	High-Weightage Topics	Approx. Weightage (%)
Physics	- Thermodynamics - Current Electricity - Magnetism - Optics - Modern Physics	40–45%
Chemistry	- Chemical Bonding - Thermodynamics - Organic Chemistry - Equilibrium - Electrochemistry	35–40%
Mathematics	- Calculus - Algebra (Complex Nos, Matrices) - Coordinate Geometry	40–45%
Biology	- Human & Plant Physiology - Genetics - Reproduction - Cell Biology	40–45%

SRMJEEE Exam Pattern 2026: Important Books

Have a look at the list of books stated below for SRMJEEE 2026 exam preparation. You must start your preparation beforehand to ace the examination.

Subject	Book Name	Author
Mathematics	Trigonometry, Geometry Books	S.L. Loney
	Problems in Calculus	I.A. Maron
Physics	Concepts of Physics Part 1 & Part 2	H.C. Verma

	Understanding Physics Series	D.C. Pandey
Chemistry	Organic Chemistry	Morrison & Boyd
	A Modern Approach to Chemical Calculations	R.C. Mukherjee
Biology	S. Chand Biology for Class 12	Sarita Aggarwal
	Pradeep’s Textbook for Biology for Class 12	H.N. Srivastava, P.S. Dhami, G. Chopra

SRMJEEE Exam Preparation Strategies

The table below shows the exam preparation strategies for the SRMJEEE exam 2026:

Focus Area	Actionable Strategy
Subject Weightage	Prioritize Thermodynamics, Current Electricity, Calculus, Organic Chemistry, Plant & Human Physiology
Question Difficulty	Secure all easy/moderate questions firstMark tough ones for the last 15 min
Formula-Driven Qs	Maintain a “Formula Sheet”Solve 20–30 formula MCQs daily
NCERT Coverage	Read NCERT line-by-lineHighlight diagrams, reactions, and definitions
Mock Test Performance	Simulate exam conditionsTarget ≥85% accuracy, leaving 10–15 questions for review
Time Management	Use sectional timers in mocksAdjust speed per topic difficulty
Revision Frequency	Revise formulas, diagrams, and high-weightage topics every 2 days
High-Yield Topics Trend	Allocate 2–3 focused sessions per week on these topics
